Father of all Smart Contracts

ABOUT TRONX PLATFORM

01.

ABOUT US

TronX platform was developed by a blockchain software development team using smart contracts and offers an opportunity to you in a completely decentralized manner.

Tronx tech team is aware of the potential mistakes and situations in traditional MLM companies.

02.

ARE TRONX CODES SAFE?

We have a third party company audit report that is public for everyone to view. For full transparency, the coding of the smart contract can be found on the homepage.

03.

TRONX AUDIT REPORT

The code of the smart contract have been audited by an independent third party audit firm and the audit report is on the homepage.

ADVANTAGES OF TRONX

100% DECENTRALIZED

01. Tronx is not managed by anyone, including its own software team. It is developed as a fully autonomous system. No person has access to funds. Your funds are secured between you and the smart contract.

MARKETING PLAN

02. Tronx rewards plan is designed for unparalleled sustainability whilst meeting the expectations of both the passive participants and leaders who are building teams.

INSTANT TRANSACTIONS

03. Nobody needs to process your contributions or withdrawal requests. Transactions are approved within seconds on the tron blockchain and all your transactions are reflected instantly.

IMMUTABILITY

04. Tronx cannot be affected by any decision change from the day it was born. Once defined, it is like a law that cannot be bent or changed in any way.

TRANSPARENCY

05. You can transparently view all transactions in detail that have been made via the smart contract since its creation.

HIGH SECURITY

06. Smart contracts are part of blockchain technology. Blockchain is a secure technology that no hacker can access. For this reason, your contributions are secured.
